7. Description Of Incident

In the 5th race, first lap, we were approaching the windward mark on the layline, sailing starboard. The Italian boat was approaching us on port and we were shouting starboard to make them aware. They didnt seem to see us and avoid so in order to avoid the contact we had to tack to port. A small contact was unfortunately unavoidable. Supposingly the other boat did not see us on time. We lost some places because we had to tack.
