7. Description Of Incident

When I reached the zone ,3 lengths from the mark 2 ,I was clear ahead from the boat with number 38 ,so no overlap existed !The boat with number 38 was clear astern and because he was pushed from another boat ,towards the wind ,he didn't manage to give me mark room and he crushed me while I was rounding ,not giving me time to react and therefore I lost 5 a lot of places.
