7. Description Of Incident

I am requesting for reopening of protest number 2 of 27 Oct 2023 as none of the alleged incidents took place. NO overlap NO pushing, NO crash and definitely NO protest hailing. I was sailing clear from boat no 4. and definitely we never crashed. Moreover i was never informed that i had a protest against me to attend and defend myself about it, despite the fact that racing committee has all our contact details. At that day after out last race i returned to the hosting sailing club and stayed there for at 2 hours where also i never heard anything from anyone about it. I am really surprised how such a protest for an incident that never happened can be filled and moreover how can be accepted as a fact by the racing committee without giving me the chance to defend against it. For all the above i request to reopen the case as being totally unjustified and unfair
