7. Description Of Incident

We are classed BFD at the race but we are sure we didn't cross the line. We are sure that there is a mistake because another french boat whose sail number is similar as ours (157235) but the «1» letter fall of the sail on starbord side. We also know that they surely crossed the line because the boat 56505 was classed BFD and was next to the boat 157235 at this start. They affirm that 157235 was upper the line than them.

At the start we didn't start well we were under a boat and were far under the line and had to tack to find some wind.
