## 7. Description Of Incident

I had been yellow flagged on the top reach and after my spins was on the 'low road' whilst GBR was on the 'high road' to windward of me. After rounding the 2nd mark I proceeded to surf on a broad reach on starboard to try and get out to the right hand side as you look downwind as there was more pressure on the right. This is where GBR clattered his boom into my head and I hailed protest and made eye contact with him, no turns were done. After racing GBR came up to me and said 'sorry I didn't see you' which to me shows he is admitting guilt.
