7. Description Of Incident

I was sailing 4 boat length inside the line between the middle of the line and the pinend boat. Me ESP 4323 and SUI4782 were engaged 10s before the crash, me ESP4323 being the leeward boat and SUI4723 being the windward boat. I did not change my rumb. He did not keep clear of me and he crashed against me. I protest for rule 11.
