7. Description Of Incident

We was waiting for the started, at 2 minutes aprox before the star. We approach to the German team from behind at the moment We make compromise We waiting for the action for the Team to keep for to the boat. When we realized the we're not keeping apart from us, we start going up, when we're closer the German boat doesn't move and we did a little shock to make sure than we needed space.

We said protest and the girls didn't take the penalty.
