Scoring Inquiry:

White Grey Support boat with a man and a woman told me to go back home. It was after the 1st mark. Then I went to the second mark and then to the harbour. Then I realized that other sailors tried to finish the race. From my position I couldn't see the flag at the starting boat clearly. So I went back in the Race and finished it. I lost a couple of places. At the 1st mark around me there was a CZE girl with starting number 8.... and CRO Boy 121.

Witnesses:
