**Inquiry No:** 11

**Course:** Moth

**Race No:** 9

**Posted Score:** 26

**Protest Party:** International Moth - ADF Sailing 3637 - Starscream - Kirstin Norris

**Scoring Inquiry:**

I believe I finished 24th before Stacey Jackson

**Witnesses:**

Angus Musgrove

---

**Response Title:**

Corrected Score: 25

Angus Musgrove 3266 was found to have been scored wrongly as he completed less laps than everyone else. From his moving down in the scoring in R9, Kirstin Norris 3637 has moved up. It was found that she was correctly placed between sailors however, so placing was only increased by 1 point due to 3266 moving down.
