Before black flag was in effect I was backwinded under 22581 under the line and stayed there until 25 seconds. At 20 seconds, I started to head towards the line and I setup to leeward of 17412 and to windward of I do not remember. At o 17412 started a little bit on top of me and 5 seconds after go me (22588) and 17412 tacked onto port. If possible can I see the video of the other boat.
