### Scoring Inquiry:

I'm having a hard time understanding your decision because there were no radial sailors in front of me, Theo, or Gustave. The jury was close behind us so you could ask them, and there is a possibility that the Mark Set boats recorded numbers at WW mark. Have you asked Weston?

### Witnesses:

220870, 220762

### Response:

Thank you for your persistence, I have found the error. I had looked at the wrong race.
