**Scoring Inquiry:**

The sailing instructions for the Tre Golfi race describe the course to be sailed.

Mark number 3 is island of Ponza to port.

Does this include any of the out lying Rocks and islands

Is it permissible to sail between the SCOGLITELLI and the island of Ponza?

Or between the island of ISOLOTTO DI GAVI and the ills and of Ponza?

---

**Response Title:**

Island of Ponza is clearly defined on the chart. SCOGLIETELLI and the I.TO Di GAVI are separate islands and not considered marks of the course. Sailing between Ponza and I. TO DI GAVI is not advised due to numerous rocks.
