Scoring Inquiry:

As per ser 3.1 of NOR, it states that ILCA 6 (Open and Women). However, even though the entire ILCA 6 fleet is sailing together women are being scored separately. Due to this i will be missing out on quite a few medals and trophies which have been brought out in ser 19 of NOR. Uptil 36th Hyderabad sailing week, the ILCA 6 fleet sailed together and scored together. I request the same may be followed for this edition as well, since scoring separately makes it unfair to everyone.

Response:

The scoring has been revised and published.
