Race No.: 1

Posted Score: 26

Competitor: Hobie 16 Gold - ITA 119039 - Pierandrea Gessa

Scoring Inquiry:

we arrived exactly on the stern of ita 119021 arrived 22(Marcis - Piu). so we ask for a check of the arrival because it is strange that there were 4 boats between us and them because when they tak in front of us they were almost there.

Witnesses:

119021

Response:

119021 was moving backwards after arriving and that could have caused the impression of being the next boat but we do confirm the results we have taken in the first place.
