Competitor: Optimist - A - NED 3494 - Olivier Enschede

Scoring Inquiry:

A DNC score has been registered for Olivier (NED 3494) in the third race of day 1 (red fleet). However, it should be an 11. We know this because TUR 9012 is three places behind him in a photo taken from the shore. The photo was taken by his parents by chance. TUR 9012 is currently listed as 14th for that race in the scoring system.
