### Scoring Inquiry:

Despite writing our sail number multiple times in on land check in, when we arrived at the first race to check in with the RC they said they did not have our sail number. We said we may have been registered as TBD, we raced both races relatively in the middle of the fleet. Before race 2 the RC asked what our skippers name was which is Mac Stewart. They noted that down along with our sail number which was noted down before race 1. Finish race 2: Close neck and neck with 9393, and another boat, we finished before them.  
Behind: 9393
