Scoring Inquiry:

After finish of race 4 , I had finished 9th. I went up to the measurement boat, hailed "do you need me?" and the measurement boat waved me off, and I repeated once again "do you need me?" and I got the same answer, "No" and waved me off. Me whiste was attached to my life jacket the whole day and still is. [Received by Judge CB at 08:34, 4 May 2019]

Measurer Response:

22603 was not inspected as stated above. A transposition error was made and the penalty incorrectly posted. The penalty should be rescinded and the boat reinstated in their original position. [Response by Measurer J. Buziakat at 08:55, 4 May 2019]
