Scoring Inquiry:

I was behind the line during the entire last minute before GO. I saw both ends of the start line and was completely sure I was behind it, and was also behind other boats around me. I hung back and accelerated late, thankfully had a good acceleration to get me back into a good lane after go. I finished the race in 4th. I'm concerned about the legitimacy of my U-Flag as there are multiple sail numbers in the fleet extremely close to mine (20723, 207242, 207282). Thanks for checking.

Response:

Correct boat sail number is verified as 20723. Not 207232. To be fixed.
