Race No.: 1 (Dabchicks Regatta)

Posted Score: 7

Competitor: Dinghy - Fast Fleet - 7795 - T Bone - Garry Wren

Scoring Inquiry:

When correcting the elapsed time to the corrected time using the PY system, it appears that the corrected time has been incorrectly calculated. The corrected time added 1hr 14mins 49secs to the elapsed time, whereas we believe it should potentially have taken approximately 10minutes off of the elapsed time (similar to how the other wayfarer with the same PY of 1109 in that race had time taken off of their elapsed time).

The elapsed time appears correct as we finished just ahead of the laser 2000 on the water.
