Scoring Inquiry:

Can the RC explain why Mandate was not issued a scoring penalty for a Toronto Island ferry having to make an emergency stop after signalling with 5 horns to avoid them? At the end of the 2nd reach on the first lap Mandate crossed immediately ahead of the the Toronto Island ferry necessitating a emergency stop. Other J105's racing (Forro, Nagadragon) altered their course significantly (including dropping the spinnaker on Forro) to pass behind the ferry. Mandate did not alter their course and was the only racing boat to pass ahead of the ferry.

Witnesses:

Forro (Todd Irving)
