Posted Score: UFD

Competitor: Female - SUI 85 - Elena Lengwiler

Scoring Inquiry:

I am scored UFD on the last race but I'm sure I was not. If you look at the tracking there were other people crossing the start line before me. I finished on position 18 after Karl Maeder.

Response:

Video (soon to be uploaded) reviewed, scoring confirmed.

Please remember that tracking is not accurate enough to draw conclusions regarding one's position in relation to the starting line at the gun.
