Scoring Inquiry:

Querying race 6 PY Class result.

The current results for Race 6 are showing Melges 15 806 as having finished 2 minutes ahead of RS600 798 on the water. 798 was the lead boat on the water for every mark rounding and was the first boat in any class to cross the finish line.

806 was still sailing down the last run of the race when 798 finished and was a considerable distance behind 798 on the water. I believe the finishing time for 806 is in error.

Response:

Corrected Score: 798 is now 2nd in R6

The results have been amended to show the correct finishing time for Melges 15 nr 806.
