### **Scoring Inquiry:**

This decision does not seem reasonable.. I checked in between 2.30pm and 3pm... this was as soon as I got back and secured my boat away from the ramp at SAFYC.

What was the checkin time. SI does not mention the time window?

---

### **Response:**

Corrected Score: nil

Should check in before 3pm posted on RRS and telegram. The sign sheet from CW sent to us at 3pm and you did not sign in before 3pm.
