Scoring Inquiry:

In the results page it says DNS, but I clearly started the race, I do not believe to have been over, and finished second in that race. Could you please check the recording and video footage of the start.

Response:

Corrected Score: 2

Finish sheet and audio reviewed which confirmed finish of position 2. However, the competitor was adjudged BFD. PRO review of the start line footage and audio is such that a BFD ruling can not be sustained. Therefore, Position 2 allocated.
