### Scoring Inquiry:

Finished race 8 in 2nd and race 9 in 3rd place. I'm marked down as DSQ because I forgot to sign out. I honestly thought I did. I have Attention Deficit Disorder (ADD) and so one of the symptoms is being forgetful which I always struggle with. I've made a big effort to try and remember to sign in and out of racing during the series but for today's racing I forgot to sign out. I'm asking for an understanding about my condition and to have both races that I sailed today counted and not be DSQ. I can provide proof of my condition upon request. Thank you.

### Response:

The awarded score is correct in that the Sign Out Sheet was unsigned. The Results Team (RT) does not have the power to alter a result, other than for a transcription error. It's (RT) function is to process the information received from the PRO. However the competitor does have the option to apply for Redress. (23.07 03/03/2025 - KB).
