Scoring Inquiry:

I came to the starting line and raced the whole course. This is only my 2nd time participating in an ILCA regatta so I'm still unsure of how to remember the sail number. So I'm not able to state the boats who finished behind and in front of me but I'm extremely sure I did participate in the 1st race. To help, I did a rough estimate and I was in front of approximately 10 boats. Thank you.
