Scoring Inquiry:

At finish of Race 1 , I passed between the Race Committe boat and the finish mark displaying a Blue Flag from direction of top mark. ESP 72 and ESP 5 finished just behind me and can verify that I finished in accordance with the sailing instructions.

I finished Race 1 in second place .

Later I discovered the Jury had seen me passing between the Blue flag mark and the Jury boat . AFTER I finished correctly I was sailing around in vicinity of the finish area because there was some confusion on the Committe boat (I had to inform them that I was actually a Classic boat). I can only assume the Jury did not see me finish correctly - as my two witnesses can verify.

Furthermore the race committee themselves did NOT instigate this action against me , but scored me as finishing correctly.

Witnesses:

ESP72 Gustavo Dorreste ESP5 Enrique
