### **Scoring Inquiry:**

Re: S1R2 - White Sail Division - May 27 2025

I advised RC boat before the race on Tuesday June 03 that we had also raced the week prior.

Tara II was neck in neck with Asterie finishing a fraction of second before her; so finish time of 20:13:44 would be adequate.

Thank you for adding scoring for Tara II.

### **Response:**

Tara II's recorded finish time has been reinstated for S1R2.
