Course: Unsure

Race No.: 6 Saturday series

Posted Score: 2

Competitor: Beneteau 31.7 - Red Fleet and Blue Fleet - 3107 - Levante - Ronan Currid

Scoring Inquiry:

This race was completed and committee announced over VHF race is not starter, results have not been counted, can this be clarified

Response:

Hi Ronan, assuming you are referring to the race on the Sat 31st May, this race was 'starred' due to most of the class participating in the Lambay race.

While some 31.7s competed in DBSC their score does not count in the series.
