Scoring Inquiry:

Was late to the start by 10 seconds and off course side before 1 minute to the start, but was scored UFD - 15. How did the race committee determine a UFD was appropriate?

Response:

Confirmed via tape that the boat was within the triangle at the lowering of the U flag. However, race committee announced "All Clear" Revise score to per finish sheet: boat ahead 256, then **258**, then 625.
