Hi DBSC

We sailed Tues and Thursday this week and finished both races. However we've been posted DNC for both nights.

This also happened last week. Is there anything funny with our entry? The only thing I can think is that we have a single number on our sail - a large name. We show up as "IRL NA9" for this form. Coukd this be changed?

We also don't have a name and just go by "9". Maybe this is throwing something? Computer only accepts letters? Happy to change to "Nine" if easier.

Fabulous sailing last night. The RO is very clear and detailed on the VHF before the race. Thenk you.

Fred
