**Request No.: 11**

**Course: Charlie**

**Race No.: RL-A**

**Posted Score:**

**Competitor: PHRF A - Charlie - 1218 - Raven - Jeffrey Shew**

### **Scoring Inquiry:**

Someone, believed to be the crew of Kibosh, submitted a scoring inquiry stating that our rating was not consistent with our certificate. We have two PHRF certificates, one for water ballast and one without. We sail almost all of our PHRF events including this one without water ballast. I already discussed this and hand delivered the non-water ballast certificate (1218-1) to the scoring committee. Please see the PHRF certificate for which we are sailing this event and have it corrected.

**Response:**

Rating changed back to 17 to reflect the boat's current sailing configuration. New rating will be shown on the new score posting.
