### Scoring Inquiry:

I understood that if you retire from a race you should get no of starters plus 1 in most scoring systems ? I had same score as DNR

### Witnesses:

Al burrel also retired after first leg

### Response:

Hi Megan,

Thank you for your question.

This event is using RRS Appendix A A5.2 which scores DNS, DNF, RET etc as 'Number of entries in series +1'

not

RRS Appendix A A5.3, sometimes known as long series, which scores DNF, RET, DNS etc as 'Number of boats that came to starting area +1'

Kind regards,

Huw
