Scoring Inquiry:

Dear Race committee,

Upon registering Jupiter J/24 for IRC 3 yesterday, we enquired about submitting our IRC certificate and were told to wait until results are issued so see if there are any issues.

Unfortunately, our boat was not included in IRC scoring. Can you please rectify? There had been a delay in our certificate due to VDLR changing our one design class.

We do have a cert which is current and valid and our rating is 0.876

Response:

Corrected Score: 1

That's done. Congrats on today.
