Scoring Inquiry:

Realise some trackers were not functioning as it said I was 18th however both 3638 and 3608 are clearly shown to have only done one lap on tracrac and have been given positions of 5th and 10th respectively. My position should be altered to 20th.

Response:

The currently posted results, time stamped "Results as of 19:31 on July 17, 2025", show you with a score of 22nd and this is your recorded position on the finish sheet sent by the RT. No TracTrac finish recordings were used in entering the results.
