### Scoring Inquiry:

I sailed the race but have been scored DNC. I compete a lap prior to the finishing window opening and headed off for the second lap. I was near Dan Haydon (3454). The finishing window opened approximately 2 minutes after i rounded mark 2p. I was unable to make it to top mark before finishing window closed and returned to the starting area. I never crossed the finish line.

### Witnesses:

God ... and Dan Haydon. Plus a gaggle of boats who I foiled past on the run.

### Response:
