Scoring Inquiry:

Dear RC

I was standing at the Tally desk yesterday when they called for last drop off of Tally's. I gave mine to the lady seconds after the announcement for last call was made however this morning I received a 5 point penalty for a late Tally. This will greatly affect my placing in the fleet group. I appreciate I was late handing back the Tally during the Pre Games as I came off the water early with an injury and as the Tally collection area was not yet ready as I was early I held on to the Tally. However yesterday during Qualifications it was definitely in on time. Hoping to clarify and correct, as there appears to be a mix up
Many thanks,

Brenn

Response:

Checked and no tally penalty.
