Scoring Inquiry

Request No.: 04

Course: Tuesday harbour

Race No.: 4

Posted Score: missing

Competitor: PHRF I - Tuesday - norseman - David Mather

Scoring Inquiry:

Good fun last night, with compressed course, many boats in close proximity, lots of crosses, busy marks. In PHRF 1, Norseman is missing from the scoring. They are registered, have raced all season and competed last night. We (FRA 40) had a close up look at Norseman racing, as we were often within a boat length of each other. Norseman should be included in the results / scoring.

Thanks, David.

Response:

Hi David,

Thank you for your inquiry. If you can point out where Norseman has registered it would be helpful. They are not registered as far as I can see.

A number of reminders have been made to them to register. If they are not in the system we cannot score them. We have their results so would be happy to add their scores as soon as they are registered.

Thanks

Martha
