Scoring Inquiry:

On race 1 BRA 31613 was called over early on the U flag. In my view we approached the line from before the line about 1 minute to the start. We could not find a space and had a third row start clear astern of the Belgium team. We tacked into port about 20 seconds after the start and crossed behind the majority of the fleet.

Witnesses:

Belgium

Response:

The race committee replied that 31613 was in the course side 1-1.5 seconds before the starting signal. It was recognized by two race officers on the start pin boat.
