Scoring Inquiry

Race Date: 2025-08-02

Received: 2025-08-02 15:44 EDT

Request No.: 01

Course: ILCA

Race No.: 1

Posted Score: DNF

Competitor: Ilca 6 - ONTARIO - CAN 201275 - Margaret MacGillivray

Scoring Inquiry:

Margaret was hit by a 29er on the second leg of the first race of the day when she was in approximately 25th place. She had capsized, and when she was in the middle of righting her boat a 29er sailed into her and the knot on her main sheet came out as a result of the 29er hitting her, as they ran over her main sheet and sail. Her coach has a video of the incident taking place to show that the main sheet did not just come out by itself, and as a result of the 29er hitting her. She would like to file for a redress as she would like to not have a DNF for the first race. We were told that we should be filing a scoring inquiry opposed to a redress as it isn't a protest since the 29er is part of another fleet, so if for some reason we have filled out the wrong form, sorry about that, please let us know and we will make sure to fill out the correct one. Thank you very much!

Witnesses:

Nicolas Kim - Britannia Yacht Club ILCA Coach(has a video)

Response:

Doesn't matter that the other boat was in a different class, the rules apply to every boat racing. You can protest or request redress.
