Request No.: 07

Course: World

Race No.: 10

Posted Score:

Competitor: EUROPA - Men - FRA 99 - Olivier LALANCE

Scoring Inquiry:

During the first upwind of race 10 on the right of the upwind there was a optimist Usa traininb inside our race. They did not move and i have to continue more the the right of the board and tack vert late to go to the mark. I request a redress for this race as it was not fair because no one told to the usa team to move

Witnesses:

FRA 5702
