Scoring Inquiry:

I crossed the finish line in first place. I crossed by the pin and I was at least 5 seconds ahead of the next two boats. The other boats finished closer to the committee boat but they were behind me. I crossed the finish line and then I watched them cross after. UKR 31 finished second place and ITA 103X finished in third place. I know I was the first boat across the line.

Thank you, Briggs Kossmann
