Scoring Inquiry:

I crossed the finish line in the CORRECT way leaving the boat on on right and black mark on left as per SSI in FIRST and got the hoot. the 3 boats I was battling with at the front crossed incorrectly at first before recrossing correctly behind me. They are scored ahead on the last update of the results??? The mark was a little out of position following a wind shift to the left which made coming from the left possibly confusing, however the SSI are clear.

7 THE START

- 7.1 The starting line is between a staff/mast display committee boat at the starboard end and a staff flag on the port-end starting boat.

8 THE FINISH

- 8.1 The finishing line is between a staff displaying a boat at the starboard end and the course side of finishing mark at the port end.

9 HEARING REQUESTS

Response:

Under RRS 61.4 (c) Redress Decisions; the Protest Committee made as fair an arrangement as possible for all boats affected. The results were reviewed using trackers to the last point of certainty which was the leeward gate and finishing positions given from the point the boats entered the gate.
