**Response Title:**

Corrected Score: Race 1: 17, Race 2: 17, Race 3: 5, Race 4: 22

According to our record, you have registered 4382 as your sail num. We do not have 4382 on our score sheet. As such, you were given DNF. Please remember to check your sail number when you sign off next time.

With regards to your position, we have checked with the race officer, and in races 1 and 2, you actually finished in 17th place for both races instead of 14th and 15th respectively.
