Posted Score: 53 + 10% scoring penalty

Scoring Inquiry:

We recieved a Jury penalty, (that we later heard that were given just after the finish). We were unsure of what really happened, so we took down the gennaker and returned to the course side took a 360 penalty turn and finished a second time.

We then sailed to the Jury boat and recieved notice that we recieved a 10% scoring penalty.

We now see that we got the finish position of our second finish + a 10% penalty.

Please use our initial finish position.

Thanks Mattias
