Race No.: 11

Posted Score: DNF

Competitor: Optimist Gold Fleet - 12&U - SGP 3002 - Olivia Cheong

Scoring Inquiry:

I finished near SGp 2014 and his score was changed to 31 but mine remained at DNF?

Response:

We have reviewed the video again to ensure accuracy. We saw Olivia's sail number in the footage, however it appears she did not cross the finishing line between the finishing boat and the finishing buoy.

As a result, we need to correct her score as DNF (Did Not Finish).
