Scoring Inquiry

Race Date: 2025-09-11

Received: 2025-09-11 17:44 CEST

Request No.: 01

Course: Malcesine

Race No.: 3

Posted Score: Ret

Competitor: Switch - Switch 8.5 - 1097 - GIOVANNI SACCOMANI

Scoring Inquiry:

Nothing about the Lima flag was posted in the notice of race or the sailing instructions. The Vakros told me I was ufd which was plausible so I stopped. I reckon some sailors were told about the vakaros malfunctions between the races. I kindly request to be inserted in the 3 race results with the average points made on the two first ones.

Witnesses:

Sam Whaley

Response:

Can you please do a hearing request for redress?
The scoring inquiry is not the correct tool in this case.

Thank you
