Scoring Inquiry:

In the provisional scoring list I do not see myself back in slalom heat A2. While I was in heat A2. I scored a 6th or 7th place. Proof can also be seen in the tracker results. That said, two or three competitors did not had their trackers on.

254 was just in front of me, mere meters. Behind me was 59 according to trackers

Witnesses:

254 in front, 59 in back (second one according to trackers. First one was just board length in front)
