### **Scoring Inquiry:**

I would be grateful if you could review the video evidence from race one which I scored OCS. I was the boat that was closest to the committee boat and believe I was behind the line at the start.

### **Response Title:**

We do not video the starts, however we do have the voice recorders. The race committee have reviewed their tapes. Both the Race officer and the Deputy Race Officer tapes independently clearly state 5423 on course side at the start.
