6. Everybody who was after 5th position got 1 point too much. Isn't the RDG average points of his races and that final RDG points shouldn't effect to other's points / places? In appendix you can see places / points before RDG and after RDG.

My final place should in overall results with correct points 4th not 6th.

#### Witnesses:

In RDG we dont need witnesses

#### Response:

This is matter of the International Jury.
